Notes on the Resolutions

Resolution 1 relates to the requirement for the directors to present the report of the directors and the accounts of the Company to shareholders at the Meeting. The report of the directors, the accounts and the report of the Company's Auditors on the accounts and on those parts of the directors' remuneration report that are capable of being audited are contained within the Report and Accounts.

Resolution 2 relates to the requirement for an annual advisory vote on the directors' remuneration report in terms of the arrangements for pay and share awards to directors. Details of these are contained in the Remuneration section of the report of the directors and the financial statements within the Report and Accounts. The vote on this resolution is advisory only, and any entitlement of a director to remuneration is not conditional on this resolution being passed.

Resolution 3 relates to the requirement that the auditors of a company must be re-appointed at each general meeting at which accounts are laid. This Resolution seeks approval for the re-appointment of Jeffreys Henry LLP as auditors of the Company, to hold office until the conclusion of the next Annual General Meeting at which accounts are laid. Pursuant to this Resolution, Shareholders are also being asked to authorise the directors to determine the remuneration payable to Jeffreys Henry LLP as auditors.

Resolution 4 replaces the existing authority of the directors to allot shares, which expires at the conclusion of the Meeting. The resolution authorises the directors to allot a maximum of 7,565,042 shares with an aggregate nominal value of £75,650. This is equivalent to approximately one third of the current issued share capital of the Company (excluding shares held in treasury) as at the date of the Notice. The number of shares currently held in treasury is 9,164,017 (nominal value £91,640). The directors have no present intention to exercise the authority conferred by the resolution, which will lapse at the earlier of the 2022 Annual General Meeting or 15 months after the Meeting.

Resolution 5, which is subject to the passing of Resolution 4, will be proposed as a special resolution for the renewal of the directors' authority to allot equity securities for cash, without first offering them to shareholders pro rata to their holdings. This authority facilitates issues (or sales of ordinary shares held in treasury) made by way of rights to shareholders which are not strictly in accordance with section 561(1) of the Companies Act 2006 and authorises other allotments of up to a maximum aggregate nominal amount of £11,348 of shares, representing approximately 5 per cent of the current issued ordinary share capital of the Company. This authority also allows the directors, within the same aggregate limit, to sell for cash shares that may be held by the Company in treasury. The Directors have no present intention of exercising this authority.

Resolution 6 revives the directors' previous authority to purchase the Company's Ordinary Shares, up to a maximum of 14.99% of the Company's issued share capital (excluding shares held in treasury), for a further year. The directors have no present intention to exercise this authority but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The authority would only be exercised if the directors believe that to do so would result in an increase in earnings per share and would be in the best interests of shareholders generally. Any purchases of shares would be by means of market purchases through the London Stock Exchange. Save to the extent purchased pursuant to the regulations concerning treasury shares, any Ordinary Shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with greater flexibility over the management of its capital base. Resolution 6 will be proposed as a special resolution.

Resolution 7 authorises the holding of general meetings, other than Annual General Meetings, on 14 days' notice. Although the Articles currently permit this, the Act requires a shareholder resolution to be passed to authorise general meetings to be held on 14 days' notice. The minimum notice period for general meetings would otherwise be 21 days. The directors would not make use of the reduced notice period unless they considered this to be in the best interests of members as a whole. Resolution 7 will be proposed as a special resolution.

General Notes

- 1. As a result of the Coronavirus (COVID-19) pandemic, and in line with the UK Government's restrictions and guidelines on public gatherings, attendance at this year's Meeting will be restricted, and you are strongly encouraged not to attend in person. The Directors consider this is a necessary measure for the protection of Shareholders, staff and Directors. Depending on the exact nature of legal restrictions in force on the date of the meeting, it is unlikely that Shareholders will be admitted to the Meeting. Shareholders are therefore strongly encouraged to appoint the Chairman of the Meeting as their proxy to cast their votes on their behalf.**
- 2. We will arrange for the legal requirements for the holding of the Meeting to be satisfied by the attendance of a Director and the Company Secretary, who will form a quorum and will ensure that the proxy votes of Shareholders are recorded. We therefore strongly encourage you to vote by proxy, ensuring that you appoint the Chairman of the Meeting as your proxy (since it is unlikely that any other person will be permitted to attend and cast your vote).**
3. As permitted by section 360B(3) of the Act and Regulation 41 of the Uncertificated Securities Regulations 2001, shareholders must be entered on the Company's share register at 6.30 p.m. on Tuesday 6 July 2021 in order to be entitled to attend and vote at the Meeting (or, if the Meeting is adjourned, on the Company's share register at 6.30 p.m. on the day two business days before the time fixed for the adjourned Meeting). Such shareholders may only cast votes in respect of shares held at such time. Changes to entries on the relevant register after that time shall be disregarded in determining the rights of any person to attend or vote at the Meeting.
4. Any member entitled to attend and vote at the Meeting is entitled to appoint one or more proxies (who need not be a member of the Company) to attend and to vote instead of the member. Completion and return of a form of proxy will not preclude a member from attending and voting at the meeting in person, should he subsequently decide to do so. A form to be used for appointing a proxy or proxies for this meeting to vote on your behalf accompanies this Notice. On this occasion, however, Shareholders wishing to have their votes cast at the Meeting should appoint the Chairman of the Meeting as their proxy, because, as explained in note 1 above, other proxies may not be permitted to attend and cast your vote.
5. A body corporate which is a member of the Company may appoint one or more corporate representatives to exercise all the powers of a shareholder on its behalf, provided that representatives of the same corporation do not exercise their powers differently in relation to the same shares.
6. In order to be valid, any form of proxy and power of attorney or other authority under which it is signed, or a notarially certified or office copy of such power or authority, must reach the Company's registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, BN99 6DA, not less than 48 hours before the time of the Meeting or of any adjournment of the Meeting.
7. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must (in order to be valid) be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in this Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to

CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

8. Persons with information rights under section 146 of the Act do not have the right to appoint a proxy. Any purported exercise by such persons (whether by completion and return of a form of proxy, or otherwise) will be ineffective. Such persons may, however, have specific rights to instruct the member who granted the information rights as to how such member exercises their right to appoint a proxy.
9. Any member attending the Meeting is entitled, pursuant to section 319A of the Act, to ask any question relating to the business being dealt with at the Meeting. The Company will answer any such questions unless: (i) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; or (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
10. The total number of Ordinary Shares in issue as at 11 June 2021, the last practicable date before printing this document, was 31,861,414 Ordinary Shares of which 9,164,017 were held in treasury and the total level of voting rights was 31,861,414, of which 9,164,017 were attached to shares held in treasury by the Company.
11. Pursuant to sections 527 to 531 and sections 338 and 338A of the Act: (i) a member or members having a right to vote at the meeting and holding at least 5 per cent. of total voting rights of the Company; or (ii) at least 100 members having a right to vote at the meeting where each holds, on average, at least £100 of paid up share capital may request the Company to:
 - (a) publish on its website, a statement setting out any matter that such member or members propose to raise at the Meeting relating to the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the Meeting; and/or
 - (b) give notice of a resolution which may properly be moved and which such members intend to move at the Meeting; and/or
 - (c) include in the business of the Meeting any matter (other than a proposed resolution) which may properly be included in the business.

A request that the Company publish a statement on its website, as described in sub-paragraph (a) above, must either set out the statement in full or, if supporting a statement sent by another member, clearly identify the statement which is being supported, and be received by the Company at least one week before the Meeting. The Company must forward such a statement to the Company's auditors no later than the time the statement is made available on the Company's website, and the statement may be dealt with as part of the business of the Meeting.

A request to give notice of a resolution which members intend to move at the Meeting, as described in sub-paragraph (b) above, must (i) identify the resolution of which notice is to be given; (ii) be authenticated by the person or persons making it; and (iii) be received by the Company not later than six weeks before the Meeting. The Company must circulate the resolution proposed to each member entitled to receive notice of the Meeting.

A request for the inclusion of an item in the business of the Meeting, as described in subparagraph (c) above, must (i) identify the matter for inclusion; (ii) be accompanied by a statement setting out the grounds for the request; (iii) be authenticated by the person or persons making it; and (iv) be received by the Company not later than six weeks before the Meeting. The Company must include the matter proposed in the business to be dealt with at the Meeting.

A member or members wishing to make requests as described in this note 11 must send the request, together with their name and address and share certificate number(s), to the Company using one of the following methods:

12. Copies of the service contracts and letters of appointment of each of the directors are available for inspection at the registered office of the Company during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) and at the place of the Meeting from at least 15 minutes prior to and until the conclusion of the Meeting.
 13. A copy of this Notice together with other information required under the Act may be accessed on the Company's website www.alina-holdings.com. Any shareholders' statements, shareholders' resolutions and shareholders' matters of business received by the Company after the date of the Notice will be added to the information already available on the website as soon as reasonably practicable.
 14. The results of the voting at the Meeting will be announced through the London Stock Exchange regulatory news service and will also appear on the Company's website.
 15. You may not use any electronic address provided either in this Notice or any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.
